Feedback

"Secure360 is THE Minnesota Security event! Our team has participated for several years in a row and have found it to be incredibly valuable for connecting with security decision makers & practitioners."

-Exabeam, 2023 Sponsor

"Secure360 was a great event to meet and network with like-minded cybersecurity individuals in Minnesota. The two day format allowed for meaningful conversations around challenges and exciting new technologies in the cybersecurity industry." -Halcyon, 2023 Sponsor
